

# A524 Series LED Scene Light Flush Mount

**Dimensions:**  
 W 8.70in (221.00 mm)  
 H 6.12 in (155.60 mm)  
 D 2.48in (63.00 mm)

When maximum light with the widest beam pattern is required, rely on the A524 Series Scene Light Flush Mount. This light is perfect for night time area lighting applications including mining, marine, construction, port, emergency vehicle and perimeter lighting. Vibration that contributes to bulb failures is not an issue with these LEDs. Poor quality heat management and optics are LED service life and efficiency killers. JW Speaker pride themselves on designing, testing and producing USA manufactured LED fixtures that guarantee you reliable service and maximum efficiency in getting the light where you need it, on the ground.

## PRODUCT FEATURES

12V 24V 120V 240V
8A @12V 92W
8,100Lu Raw 4,000Lu Effective IP67
4 YEAR WARRANTY

## VEHICLE APPLICATIONS

- Mining • Construction • Marine • Agriculture
- Firefighting • Law Enforcement • Rescue

## SPECIFICATIONS

**Lens:** Polycarbonate w/Optics, glass outer lens  
**Housing:** Die-Cast Aluminium  
**Connector:** Integrated 2-Pin Deutsch Weather-Proof Socket (DT04-2P)  
**Mounting:** Universal Mount; Includes (x1) ½" Mounting Bolt  
**Wiring:** 2-Pin Deutsch Plug (DT06-2S)
