

Preco 7620 Series Beacon

SAE Class I LED

Description

The 7620 Series beacon combines all the major benefits of the latest LED technology with a traditional style housing and the price of a strobe. The long, maintenance-free service life of LEDs, backed by a 2-year warranty, make this a perfect replacement solution for existing strobe beacons. Suitable for a wide variety of applications, the 7620 features 12VDC operation and attention getting Pulse8 flash pattern.

Features and Benefits

- LED direct fit replacement for 4200 Series Strobe
- Latest technology in a traditional housing
- Pulse8 (8 flash per cycle) flash pattern
