

Street Lazer

15 Series Light Bar

Description

The 15 Series lightbar offers the choice of either TIR Optic or Reflective LED modules. TIR Optics use a lens over the LED to direct light in a more focused beam while Reflective LEDs use a mirrored coating to disperse light at a wider angle to provide greater 360° coverage. This low profile lightbar features an aluminum base and clear, polycarbonate housing with an encapsulated power supply to provide strength, durability, and protection against the environment.

Features and Benefits

- TIR Optic LED module uses advanced optics to create a high-intensity beam with industry leading light output. Quad flash (80FPM)
- Reflective LED module provides wide angle light output for increased 360° coverage. Quad flash (80 fpm)
- TIR optic or reflective LED warning modules
- LED Safety Director™ - Built in to the 15 Series primary warning LED's, when activated the rear LED modules are controlled via the touch-pad, all other modules maintain primary flash patterns. Features 7 flash patterns and hi/lo intensity control (number of lightheads dependent on configurations)
- Back lit, rubber key touch-pad provides fingertip control of built in Safety Director™ (included with Safety Director™ models)
- Available with TIR Optic or Reflective LED modules
- Alternating or simultaneous flash (quad)
- Integrated LED Safety Director™ option
- Aluminum base
- Temperature Range: -22°F to +122°F (-30°C to +50°C)
- Height: 2" / 53mm, width: 12" / 305mm
- Available lengths: 23", 39", 48", 49", 54"
- Warranty: Lightbar = 2 years
Electronic Components = 5 years.

Applications

Trucks and Vehicles

Part No.	Description	Type	Voltage	Amps	FPM (x4)
EC-15-00011-E	23" / 0.58m	TIR	12V	0.8	80
EC-15-00013-E	23" / 0.58m	TIR	12V	1.2	80
EC-15-00015-E	23" / 0.58m	TIR	12V	1.6	80
EC-15-00019-E	23" / 0.58m	TIR	12V	2.0	80
EC-15-01423-E	23" / 0.58m	Reflective	12V	2.8	80
EC-15-01427-E	23" / 0.58m	Reflective	12V	4.2	80
EC-15-01428-E	23" / 0.58m	Reflective	12V	5.6	80
EC-15-01429-E	23" / 0.58m	Reflective	12V	7.0	80
EC-15-00035-E	39" / 0.98m	TIR	12V	1.6	80
EC-15-00036-E	49" / 1.24m	TIR	12V	1.6	80
EC-15-00037-E	49" / 1.24m	TIR	12V	3.2	80
EC-15-01424-E	49" / 1.24m	Reflective	12V	4.9	80
EC-15-00038-E	54" / 1.37m	TIR	12V	2.9	80
EC-15-01426-E	54" / 1.37m	Reflective	12V	4.3	80
EC-15-00039-E	54" / 1.37m	TIR	12V	3.0	80
EC-15-01425-E	54" / 1.37m	Reflective	12V	4.6	80
EC-15-01255-E	54" / 1.37m	TIR	12V	4.0	80
