

Optimus LED Fog Light Kit

4WD Offroad Lamps

Description

Harnessing Unbeatable Power

The 2017 Ford Raptor Optimus LED Fog Light Kit is designed with the customer in mind, dramatically improving night lighting and style without the installation hassle. This kit features a no-drill bracket system, an easy-to-install wiring harness, and utilizes the factory auxiliary switch for a clean and simple install. The Optimus LED Fog Lights uses top-binned 10 watt LED chips and IRIS Reflector technology to produce a smooth beam pattern with an outstanding 883' of usable light.

Rugged and Durable Construction

Manufactured from high-grade 6061 aluminum, a shatter-resistant polycarbonate lens, and a sturdy trunnion bracket, the Optimus is built for the harshest environments.

Prime Drive Technology

Prime Drive Technology from Vision X Lighting controls vital functions such as temperature control and dimming on your LED Lights. This advanced technology can increase or decrease the intervals at which the LEDs turn on and off in order to lower the bars overall temperature and maximize the lifespan.

Features and Benefits

- Triple the Light Output of Factory Lights
- Bolts Directly to Factory Mounting
- Easy Installation

Applications

2017 Ford Raptor

Tech Specs

Voltage	12V DC
rLumens	4,208Lu
Current Draw	6.68A @ 12V (VX-XIL-OE17FROP) 7.0A @ 12V (VX-XIL-OE17FROPH)
Weight	5.50 lbs (VX-XIL-OE17FR) 5.74 lbs (VX-XIL-OE17FROP and VX-XIL-OE17FROPH)

Part No.	Description
XIL-OEHL14RZROPR	Vision X Optimus LED Fog Light Kit – Brackets Only
VX-XIL-OE17FROP	Vision X Optimus LED Fog Light Kit – Brackets, Integration Harness, and Optimus
VX-XIL-OE17FROPH	Vision X Optimus LED Fog Light Kit – Brackets, Integration Harness and Optimus Halo
