

# Speaker 279

## J Series

### Description

The Model 279 J Series is a 6" x 8" Jeep LED tail light, that offers a true plug & play installation for Jeep Wrangler & Wrangler Unlimited models. This new Jeep JK LED tail light offers a one-of-a-kind look incorporating a contoured housing, innovative light blade technology and "blacked out" styling. All together, the Model 279 J Series offers off-road lighting both style and function!

### Features and Benefits

- Off-road lighting designed exclusively for Jeeps
- Stop, tail, turn and backup functions
- Unique blacked out styling and contoured housing
- Innovative light blade technology

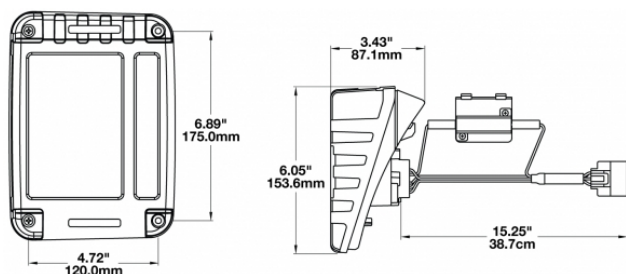

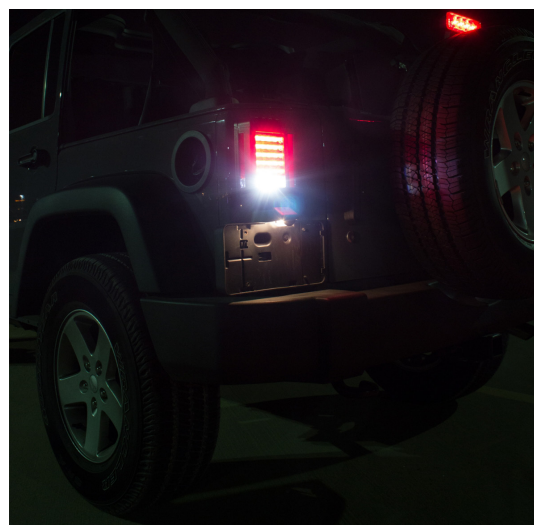

### Applications

Jeep, off-road 4x4, 4WDs
