

Mini Incident Response Case

The Next Generation In Incident Response Lighting Innovation

Vision X Mini Incident Response Case Specifications (Option 3)

Lights	Two 4" UMX 7 LED lights
Raw Lumens	6,902 lumens
Effective Lumens	5,180 lumens
Watts	70
Run Time	7.5 Hours

Part No.	Description
VX-XLS-M2DURA460BP	Mini Incident Response Case 2 x Dura 4 LED Lights (460), 40W, 3944 lumens
VX-XLS-M4S1160BP	Mini Incident Response Case 4 x Solo Pod LED Lights (S1160), 40W, 3440 lumens
VX-XLS-M2UMX4460BP	Mini Incident Response Case 2 x 4" UMX 7 LED Lights (XIL-UMX4460), 70W, 6902 lumens

Description

Vision X Lighting introduces the next generation in incident response lighting innovation. This new mini incident response case features a compact storage height of only 24 inches, and sets up in seconds with eight foot extensions to blanket any scene with intense light. Lasting up to 12 hours on a full charge of the self-contained power cells, this all-weather unit is the perfect portable lighting solution.

The mini incident response case (XLS) comes with three different lighting variations: Two 4" Dura 4 LED Lights, Four Solo Pod LED Lights or Two 4" UMX 7 LED Lights. Producing up to 6,902 lumens, the mini incident response case is the perfect lighting solution for emergency response, flagging stations, roadside assistance, scene lighting and other portable lighting scenarios. The case comes complete with a 12 volt output power source, usable to jump start vehicle batteries, as well as charge the case using the 12 volt power posts.

Features and Benefits

- Set Up in Seconds With No Tools Required
- Up to 8 Foot Light Extension (24" Storage Height)
- Flashing Yellow LED on Base for Added Safety
- Provides Light Up to 12 Hours on Full Charge
- Self-Contained Rechargeable Power Cell 12V Output Power Source
- Jump Start Vehicle or Charge With 12V Power Posts

Applications

Emergency response, flagging stations, roadside assistance, and scene lighting

Light Head Options

- Option 1: Two 4" Dura 4 LED Lights (Model: XLS-M2DURA460BP)
 Option 2: Four Solo Pod LED Lights (Model: XLS-M4S1160BP)
 Option 3: Two 4" UMX 7 LED Lights (Model: XLS-M2UMX4460BP)
