

ECCO EW3010/3011

LED Remote Spotlight Series

Description

ECCO's EW3010 Series Remote Spotlights are multifunctional, motorized searchlights featuring a 12-24 VDC operation. Both spotlights can be installed wirelessly and are protected by a polycarbonate lens and the housings are available in black or white. The EW3010/3011 offers full 360o continuous rotation, a 135-degree tilt range and features an optional hardwired in-dash joystick controller. The spotlight also has a home setting that automatically returns the light to its original position upon powering off the device. ASA resin housing makes the EW3010/3011 corrosion, UV and impact resistant and also feature patent pending reflective optics.

Features and Benefits

- Ten 5-watt LEDs
- Permanent or magnet mount available
- "Return to Home" setting will automatically return light to original position when powered off
- Aluminum heatsink lighthead
- Polycarbonate housing

Applications

Work and service vehicles, 4WD and recreational vehicles, military vehicles, emergency services
