

EC7010-WK Gemineye

7" Quad View LCD Color Wireless System

Description

The Gemineye™ battery-operated wireless camera system utilizes ECCO's unique camera design. Comprised of a feature-packed CMOS color infrared camera and a high-resolution 7" LCD touch screen color monitor, the EC7010-WK delivers excellent picture quality even in lowlight conditions. With short charging time, long battery life, and a heavy-duty magnet mount, this compact camera system is perfect for a variety of applications. System is expandable up to 4 cameras.

Features and Benefits

- Wireless magnetic mount camera
- Mini SD card-enabled recording with password protection
- Multiple viewing options: single, split and quad view screen
- 2.4 Ghz digital wireless system
- • Four camera expandable
