

ECCO ED001 Series

Directional LED

Description

The ECCO ED001 Series high output LED directional light meets SAE Class I requirements for light output and provides the convenience of either single bolt-bracket mount with thru-bolt wiring or conventional surface mount. Featuring a clear polycarbonate lens with four LEDs that illuminate amber, warning capability can be customized by selecting from 24 flash patterns and synchronizing multiple heads simultaneously or alternately.

Features and Benefits

- Surface or bracket mount
- 24 flash patterns
- Synchronization capable
- Encapsulated electronics extend product life
- Lens colors: blue, green, red, amber and clear.

Tech Specs

Voltage	12-24V DC
Colours Available	Clear, Green, Blue, Red or Amber
Amps	12V DC
Flash Pattern	24
Watts	25W
IP Rating	Weatherproof IP67 Rating
Standards Compliance	SAE J595 Class I
Warranty	1 Year
Housing Material	Die-cast base and polycarbonate lens
Temperature Range	-22°F to +122°F

Part No.	Description
ED001A	ECCO ED001 Series Directional LED – Amber
ED001C	ECCO ED001 Series Directional LED – Clear
ED001B	ECCO ED001 Series Directional LED – Blue
ED001G	ECCO ED001 Series Directional LED – Green
ED001R	ECCO ED001 Series Directional LED – Red
