

# ECCO EW2562-1.5M Rechargeable LED Magnetic Worklight

## High-Powered Six LED Worklight

**Description**

ECCO's EW2562-1.5M Series rechargeable LED magnetic worklight features a high intensity flood beam, powered with a heavy duty battery that combines mobility with high performance and a compact design. The long-life, lithium rechargeable battery allows the worklight to be operated for 3-4 hours before recharging is required. Supplied with a USB-C cable and car adaptor (cigarette plug) for convenient charging either on-site or in the field.

**Features and Benefits**

- Wireless operation
- Rechargeable lithium battery
- USB-C Charger
- 3-4 hour run time
- Magnetic base
- 600 raw lumen
- Aluminium housing
